

World Health Day

Date
Page

07.04.2018

Today we celebrated world health day in which NCC students participated in a speech competition. Ranshan Kumar explained about sanitation and Modi's programme Swachhata Mission. Ram Nirash told about different types of diseases and its prevention. Ram Prakash Kumar explained how we have polluted our environment and its hazards. Satyam Kumar explained about challenges of environmental pollution. Ram Prakash Kumar was adjudged first prize.

Thereafter a debate was organised in which team of Chandan, Ranshan and Gopi was adjudged the first prize.
